P/FUL/2023/02829 and Woodlands Solar Farm ref. P/FUL/2023/03415) at Mannington, Horton. Location: Land between Woodlands Solar Farm, North Farm Solar Farm, and Mannington Substation.</p> <p>Members resolved unanimously to comment on the proposal.</p> <ul style="list-style-type: none"> • Councillors have expressed concerns regarding the proposed route along the C2 road. DC Planning to confirm whether the works will involve the use of boring machinery, or whether the road and verges will need to be excavated? The latter option is likely to cause significant disruption along Horton Road. • Would it be possible for a representative to attend a public meeting to explain the process to local residents and address any questions they may have. • Councillors would also like clarification on the transport plan for the HGVs transporting the solar panels. In particular, will an ESCROW arrangement be put in place to address the anticipated increase in HGV traffic, given the potential impact on the condition of local roads along the C2 and Haythornes/Woodlands, and to ensure that any necessary restoration works are covered?
12	<p>Highways Matters</p> <p>Members considered the need for speed surveys through Horton Village. The Clerk will contact the Dorset Council SID Team to enquire whether data can be extracted from the Horton SID.</p>

Action No	Date	Action	Assigned To	Status
02/20	July 2020	Water rising in Woodlands opposite 'Four Oaks.	Clerk	<p>Aug 22: DC plan to install a new gully and pipe to watercourse with adjacent landowners' permission, subject to priority and funding. Nov 23: Clerk to follow up, ask who is responsible and raise an incident number.</p> <p>Feb/Apr 24: Clerk to arrange for the water to be tested along with the water leak opposite Meadow Cottage.</p> <p>June 24: A water sample has been taken and passed to Microtech Services for testing.</p> <p>July 24: The Clerk has contacted Bournemouth Water asking for the water leak to be looked at due to the presence of chlorine in the results from the water sample that was tested.</p> <p>Aug 24: An email has been sent to Bournemouth water with the Parish Councils water test results highlighting the chlorine found in the water. The Clerk requested on behalf of the Parish Council an independent water test.</p> <p>Oct 24: Clerk spoke to the operations team at South West Water. Case no. 0013998244. A works order has been raised to reattend the site and undertake another test.</p> <p>Nov 24: South West water attended and have liaised with DC. South West water listened to the AP box and there was no noise, no water and no leak.</p> <p>Jan 25 (06.01.25): The Clerk spoke to Alex at Bournemouth Water they are requesting a member of their team to contact the Clerk directly by 10 January 2025 to discuss the water leak and possibly arrange to meet up at the leak site with an inspector. ref: 0013998244. 07.01.25: Bournemouth Water are going to visit the site again on a dry day to retrieve several samples of water to test for main water.</p> <p>Jan 25: Bournemouth Water has not visited the site again due to several tests already undertaken and they are unable to find a leak. They advised that the Parish Council liaise with DC highways department. 31.01.25: The Clerk met with DC Highways who confirmed that the leak is ground water. This water will continue to run even during the summer months due to the high saturation levels in the ground. If the Parish Council is considering digging up the verge they would need DC highways permission. The Highways officer checked the ditches along part of the road near to the leak and where water was running down the road and noted that the ditches required clearing to prevent the water running down the road.</p> <p>Feb 25: Members unanimously agreed to check the leak in a couple of months.</p>

				<p>Mar 25: Councillors to meet at the site of the leak to decide the plan for the leak going forward.</p> <p>Mar 25: The Clerk has contacted Southwest Water further to the other leak in woodlands being a Southwest Water leak. Southwest Water are going to send a team to investigate the leak further on 26 March and will update the Clerk on the outcome.</p> <p>Apr 25: Southwest Water have updated that it may be a leak from an old asbestos pipe. They are currently looking into this further.</p> <p>May 25: South West Water have listened to the AP box and are not able to hear a leak. They will retest the water and update the Parish Council.</p> <p>June 25: A spot leak was detected by South West Water. The leak has been repaired, and the verge has been reinstated.</p> <p>July 25: South West water has raised another works order to review the leak. Works order number 11810490 the Clerk will be meeting with South West water at the end of July.</p> <p>Aug 25: Meeting was cancelled by South West Water, Clerk has since tried contacting via phone with no response.</p> <p>Nov 25: The clerk emailed the DC Highways Officer with the necessary information. The officer will reach out to South West Water regarding the water leak.</p> <p>Dec 25: The Highways Officer continues to make contact with South West Water. The highways officer is planning to meet up with the water board when they are in the area.</p>
01/23	April 2023	1217124 Reported Water is draining from the field from the property Little Haythorne via a gully in the verge onto the highway - we would like to suggest the gully is filled and water is diverted along the line of an old ditch to a manhole cover. DC will inspect and report.	Clerk	<p>Mar 25: Clerk to follow up with DC the issue with the gully that was put in by the landowner. DC to replace or refill the gully.</p> <p>Mar 25: DC highways will check the pond water draining down the road the next time there is heavy rain. DC highways will also check to see what drainage there is in the area.</p>
04/23	Nov 2023	Pond is overflowing at Little Haythorne and going onto the road. Clerk to raise a report with Dorset Council.	Clerk	<p>The Clerk spoke DC highways, at the time of speaking the pond was not overflowing.</p> <p>Mar 25: The pond overflows and drains out through the gully and down the road. See update on action 01/23</p>
05/23	Dec 2023	Cllr Ian Potentier to contact Cllr Robin	Cllr Ian	May 24: An email has been sent to DC requesting availability for a site

		Cook in relation to applying for a grant from the Community and Culture Fund Project for the footpaths that lead onto the C2.	Potentier	<p>meeting to take place. An email has been received from DC requesting further information in relation to the site visit.</p> <p>July 24: Cllr Ian Potentier has been liaising via the Clerk with DC safer highways team to look at having a footpath alongside the C2.</p> <p>Sept 24: An email was sent to DC inquiring about the timescale for the additional signs along the C2.</p> <p>Oct 24: Clerk resent the email asking for an update.</p> <p>Jan 25: Cllr Ian Potentier noted that the additional signs are still not in place.</p> <p>Feb 25: Following a phone call and email to the Road Safety Technical Officer at DC, the following response has been received; no date has been given yet for the work for the signs as the sign shop colleagues are working through a significant backlog. The Road Safety technical Officer will provide a further update after the next meeting.</p> <p>July 25: The two new pedestrian road signs for the C2 is on DC sign shop list of jobs to complete. The signing team are currently working through a significant amount of work, including over 40 jobs from the road safety team alone. At this time, the Road Safety Technical Officer is unable to provide a date for this work to take place, however, regular meetings take place with our colleagues and updates will be provided when they have further information.</p> <p>Dec 25: DC Road Safety Technical Officer has spoken to their colleagues in the sign shop, and it is very much still on their list of outstanding work. A site visit has been undertaken, and drawings finalised. They are hopeful this work can be carried out in the new year.</p>
06/23	Dec 2023	Cllr Sam Keet to take forward the grant from the Community and Culture Fund Project for the bridleway project at Queens Copse.	Cllr Sam Keet	<p>July 24: Cllr Sam Keet and the Clerk have met with James Rose contractors and Cutler Bros to obtain quotes for the works on the bridleway at Queens Copse.</p> <p>Oct 24: Quotes have been received from both James Rose and Cutler Bros.</p> <p>Nov 24: A meeting took place with Cllr Sam Keet and Morris Construction and the Clerk is waiting for the quote.</p> <p>Dec 24: The final quote has been received from Morris Construction.</p> <p>June 25: The Clerk and Cllr Sam Keet have applied for grant funding towards the project.</p> <p>July 25: The application for the grant funding from DC for the Queen Copse Project was unsuccessful. The Clerk has asked for feedback and will pursue other funding routes.</p> <p>Jan 26: The Clerk has approached the British Horse Society for funding towards the bridleway through their 'Ride Out Fund Scheme'. An application form is being forwarded to the Clerk for completion.</p>

04/24	Feb 2024	Clerk to contact DC about the progress of the longer layby by Knowlton Church.	Clerk	<p>Mar 24: Clerk spoke to Cranborne Chase National Landscapes and they passed the query onto DC. Clerk to follow up with DC.</p> <p>Mar 25: The Clerk has emailed the DC highways officer and they will check who owns the verge by Knowlton Church.</p> <p>Apr 25: Cranborne Chase National Landscapes contacted DC in 2022 in wanting to pay to extend the layby using DEFRA funding, but DC haven't heard any more since. Ownership of the subsoil (highway overrides this ownership until such time if ever the highway rights are extinguished) then this would be up to the middle of the road (Ad Medium Filum HM Land Registry plans: boundaries (practice guide 40, supplement 3) - GOV.UK) this would be PROPRIETOR: THE SHAFTESBURY TRUSTEE and THE SHAFTESBURY TRUSTEE COMPANY NO.2 LIMITED.</p>
06/24	Mar 2024	The Clerk to contact DC Planning Department to enquire about the windows being filled in at the Horton Tower.	Clerk	<p>Mar 24: Email sent, no reply was received.</p> <p>Sept 25: A DC planning enforcement form has been completed for the Horton Tower windows.</p> <p>Oct 25: Following a review of the photographs provided and consultation with DC Conservation Team, DC enforcement has confirmed that there appears to be no breach of planning control. The images show that the windows have been fitted with clear material consistent with the approved planning application. If the resident is referring to the windows being completely filled in, we would be grateful if they could clarify:</p> <ul style="list-style-type: none"> • What materials they believe have been used; • Why they believe this differs from the approved plans. <p>This information will help us determine whether any further investigation is required.</p> <p>Councillors confirmed that the first two tiers are blackened out. <i>Clerk to reclarify what the windows are filled in with and respond to DC enforcement.</i></p> <p>Nov 25: The Clerk has visited Horton Tower and taken further photos of the windows which are filled in with wood and painted black. These photos have been sent to DC enforcement.</p> <p>Jan 26: DC Planning enforcement replied: Looking at photographic evidence provided, the windows and as mentioned as the lower windows, these were previously boarded and painted. The changes in material per the planning permission and approved plans relate to the higher level windows. We can confirm that there would appear to be no Breach of Planning Control.</p> <p>Complete.</p>
08/24	April 2024	Clerk to request a quote for a new	Clerk	<p>July 24: The Clerk has been in contact with DC and waiting for a response.</p>

		sign at Clump Hill Horton and ask if this sign can be moved further down the road.		<p>Sept 24: Another email has been sent to DC asking for an update on when the sign will be put in place.</p> <p>Sept 24: An email was received by DC. DC have a lot of safety critical signing to complete at the moment. DC will get to site as soon as possible and come back a quote.</p> <p>Nov 24: A quote has been received from DC and is on the November agenda for approval.</p> <p>Nov 24: Moved to the December agenda.</p> <p>Dec 24: Members resolved unanimously to the quote for the Clump Hill sign replacement. Members unanimously agreed to request that DC move the Horton Heath sign from its current location to a more visible location. A quote to be received from DC for this to take place.</p> <p>Jan 25: An email has been sent to DC asking for a quote for the relocation of the Horton Heath sign.</p> <p>Mar 25: Follow up email has been sent by the Clerk.</p> <p>April 25: The Parish Council is waiting for a quote from DC.</p> <p>July 25: A quote has been received to supply & erect a new sign and 2 new posts at the location provided by the Parish Council is £1137.73 including traffic management.</p> <p>Aug 25: An email has been sent to DC accepting the quote for the Clump Hill sign.</p> <p>Dec 25: DC Senior Technical Officer has booked the work to be completed on 20th January 2026.</p>
13/24	June 2024	Clerk to contact the Speed Partnership Team to ask for their support with the speeding issues through Horton Village.	Clerk	<p>July 24: An email has been sent to Dorset Road Safe for support with the speeding issue through Horton Village, awaiting a response.</p> <p>Aug 24: Dorset Road Safe Team responded; due to the number of locations on the Camera Team enforcement list across Dorset and a small team to cover these, we are unable to guarantee how quickly this site will be visited. Clerk to contact Dorset Road Safe Team in November to check if they have any results from this visit.</p> <p>Nov 24: An email has been sent to the Dorset Road Safe Team to enquire if they have visited Horton Village.</p> <p>Dec 24: The location is on the Camera Team's list to visit, however there are nearly 1000 locations to cover across Dorset and limited resources to cover them so we can't guarantee when they will attend.</p> <p>May 25: A follow up email has been sent to the Dorset Road Safety Team asking for an update.</p> <p>June 25: The Camera Team have visited this location twice in the past year. The first was on 04/11/2024 at 16.30 and the second was on 30/05/2025 at</p>

				<p>08.23, both sessions were of one hour duration and there were no activations. Due to the vans parking on a grass verge, visits are only possible in dry weather, which may account for the further delay. This location will be added to the next enforcement list for the Camera Team to visit.</p> <p>Dec 25: An email has been received from MP Vikki Slade highlighting the issues with speeding through Horton. The clerk has replied noting what actions KPC has taken to support reducing the speeding throughout Horton.</p> <p>Jan 26: Speed surveys for Horton are being considered on the January 2026 agenda.</p>
32/24	Oct 2024	Clerk to contact Mark Adams and CC Cllr David Tooke to ask if the road past Remedy Oak is going to be resurfaced and is there a plan to complete the road out of Woodlands and Horton.	Clerk	<p>Nov 24: An email was sent to DC. DC have forwarded the email to the relevant department to respond.</p> <p>Apr 25: A follow up email has been sent to DC Economic Growth and Infrastructure team at DC. These sections are due to be surfaced in quarter 4 of this financial year. There are no programmed dates at this moment but it is designed and ready to go.</p> <p>Nov 25: It has been confirmed by the Principal Project Engineer at Dorset Council that the road is being resurfaced on 1st-11th December 2025.</p> <p>Dec 25: Patching has taken place and the whole road will be resurfaced in 2026.</p>
43/25	Jan 2025	Clerk to report to DC the blocked culvert on Horton Road in Wimborne St Giles.	Clerk	<p>Jan 25: The Clerk and Cllr Morgan Antell met with the DC highways officer who has recommended that the Parish Council contact Shaftesbury Estate to clear the ditches alongside the road to ensure the water has an escape route into the ditch.</p> <p>Feb 25: DC highways are currently following the blocked ditches up with Shaftesbury Estate.</p> <p>Sept 25: DC are continuing to follow up the blocked culvert with Shaftesbury Estates.</p> <p>Jan 26: The work is currently sat at a 'works raised' status on the DC system but is yet to be scheduled.</p>
45/25	February 2025	Clerk to start to look at finding suitable funders for the queen Copse project.	Clerk	<p>May 25: Cllr Sam Keet and the Clerk are meeting up to discuss funding options.</p> <p>June 25: The Clerk and Cllr Sam Keet have applied for grant funding towards the project.</p> <p>Jan 26: The Clerk has approached the British Horse Society for funding towards the bridleway through their 'Ride Out Fund Scheme'. An application form is being forwarded to the Clerk for completion.</p>
49/25	February	Clerk to ask Cutler Bros for a quote to	Clerk	<p>Apr 25: Clerk and Cllr Sam Keet to confirm if the ground near the hedge is a</p>

	2025	tidy up the hedges around Woodland Playfield.		Site of Special Scientific Interest (SSSI) before any hedges are cut. Jan 26: The Clerk has search magic maps and Dorset Explorer and neither show SSSI around Woodland playfields.
50/25	March 2025	Councillors to liaise with Cllr David Tooke to find out what DC highways department are doing about the B3081 road and the dangerous conditions.	Cllrs	
51/25	March 2025	Cllr Paul Millett to discuss with DC other speed calming options throughout Chalbury.	Cllr Paul Millett	Apr 25: Cllr Paul Millett has emailed DC Road Safety Officer. June 25: A meeting is being arranged to discuss road calming measures. July 25: A meeting has taken place between Cllr Paul Millett, Cllr Will Chakawhata and the DC Road Safety Officer. Cllr Paul Millett will write up the possible solutions to decide what the next steps are.
52/25	March 2025	The Clerk and Cllr Paul Millett to arrange a date for a public meeting on a weekend where all residents are invited to attend to discuss the speeding issues through Chalbury.	Clerk/Cllr Paul Millett	
53/25	March 2025	Clerk to enquire about a grit bin being placed on Horton Road (near to the Remedy Oak Tree) for the use of the residents in the nearby houses.	Clerk	Apr 25: An email has been sent to the relevant department in DC. May 25: Clerk has contacted DC Highways for an update. June 25: The delay on the salt bin process is currently due to location. DC are unable to determine a suitable and safe location on highway land for this salt bin, which is accessible to the local residents who may need to access it. The initial location of being near or next to the remedy oak tree has been declined. Once this has been figured out it will then go to ranking and an assessment will take place to determine if it meets requirements. Sept 25: DC have confirmed they do want to place a salt bin put in the location, have not been able to find a site that meets the criteria which is safe for people to use the salt bin safely. DC are unable to place the bin next to the Remedy Oak tree due to it being a protected tree. Nov 25: The grit bin is continuing to be considered by Dorset Council Highways. DC need to confirm if this is a high priority gritting route and the liability for residents spreading grit on an icy road. The Parish Council could purchase a grit bin, however DC Highways Officer needs to confirm whose responsibility it would be to maintain the grit bin and where liability lies in

				<p>relation to spreading the grit across the road. The Highways Officer has emailed the relevant department and is awaiting an update.</p> <p>Dec 25: DC Highways has confirmed that the grit bin liability /maintenance would be the Parish Council. The Grit Bins position would need to be authorised and assessed by DC Highways. DC Highways Officer has emailed, as a matter of urgency, the Community Highways Team Leader to arrange a site meeting.</p> <p>Jan 26: The Grit bin scoring has taken place and it will have to be a 'community bin'. This will be purchased and maintained by the parish. DC Highways are waiting on a cost and any further information.</p>
54/25	March 2025	Clerk to approach Dorset Council for a warning sign before the bend along the B3081 highlighting the bend from Verwood and a possible reduced speed limit (30 or 40mph on the bend).	Clerk	<p>Mar 25: Further to correspondence with DC highways it was agreed that the Clerk should contact DC to request a road safety review of the B3081. The Clerk has emailed the relevant department.</p> <p>May 25: DC Road Safety Technical Officer is about to run their latest route and cluster site analysis – the routes are defined as any route across the county (for example the B3081 in its entirety) that has recorded a high number of injury collisions per km, and our cluster sites are defined by 3 or more injury collisions within 100 metres in the last 3 years. The B3081 has previously flagged as a route analysis, however this has been swayed by the amount of injury collisions close to Ringwood near the A31 and the junction for Alderholt and not so much near Remedy Gate.</p> <p>If it doesn't flag as one of our top route analysis this year, following this request I will add it to our list, however, please be advised I do not have a timescale for this analysis. Once It's been completed, I will get back to you.</p> <p>Action: Clerk to liaise with DC Highways in relation to the previous higher quality finish, skid resistant road surface that was placed along the B3081.</p> <p>Nov 25: The Clerk has spoken to Dorset Council Highways Officer who has passed on the relevant contact details for the resurfacing team in relation to the skid resistant road surface for the B3081. The Clerk has emailed the resurfacing team and is awaiting a response.</p>
57/25	May 2025	Cllr Will Chakawhata will follow up on what is happening with the road flooding outside of the Meadow View Caravan Park	Cllr Will Chakawhata	<p>July 25: Works started on 07/07/25. Works started at the outfall within the caravan park and DC continue to progress towards the public highway- approx. 65% of the works is complete. All works are programmed to be completed by 01/08/2025.</p> <p>Nov 25: Cllr Chakawhata has driven past the caravan park a few times lately</p>

				<p>and has not witnessed any flooding, but will monitor this when the rains are heavy.</p> <p>Jan 26: The flooding issue near the caravan park has been resolved. Cllr Chakawhata visited the site last summer, and they were installing large tunnels to divert water from the road towards the river. Photos have been shared with members. Complete.</p>
67/25	July 2025	Clerk to report the thin branch hanging across the B3081 road.	Clerk	Sept 25: The branch has been reported on the DC portal.
68/25	July 2025	Clerk to draft an email and send to Cllr Chakawhata over the issues raised in relation to Meadow View Caravan Park.	Clerk	Jan 26: Cllr Chakawhata confirmed that the site does not require planning permission and it is not housing asylum seekers. Cllr Chakawhata checked with Dorset Council regarding infrastructure capacity, and they have advised that the landlord has the necessary infrastructure in place and that the local roads are coping at present. Complete.
70/25	July 2025	Clerk to contact DC to confirm if the flashing signs at Horton Inn are working and being used.	Clerk	<p>Aug 25: The signs were removed by DC due to wiring concerns. Plans are in place for the signs to be reinstalled. DC Highways is currently coordinating and will provide updates regarding the timeline for replacement.</p> <p>Nov 25: Dorset Council Highways are waiting to hear from Team about flashing signs at Horton Inn.</p> <p>Jan 26: Update from DC: The previous sign was removed as it had reached the end of its maintainable life. Due to the high cost associated with replacing the sign in its original illuminated and loop-activated format, combined with ongoing challenges in maintaining the sign and safely parking adjacent to it, an alternative solution was considered.</p> <p>It was agreed to install a large, non-illuminated warning sign on a yellow background to ensure high visibility while reducing maintenance requirements and improving safety for operatives. The new sign will provide clear warning information similar to the example provided below, but without the horse symbol.</p> <p>This approach offers a cost-effective and practical solution while maintaining compliance with visibility and safety standards.</p>

				 <p>The sign shop will be able to survey the location shortly. Once the survey is complete, they should be able to progress with the installation of the new non-illuminated warning sign as planned.</p>
73/25	July 2025	Clerk to report the potholes in the road near the Remedy Oak.	Clerk	Aug 25: The potholes by Remedy Oak have been reported on the DC portal.
74/25	Sept 2025	Clerk to visit the area where the waste has been placed and report to the relevant department at DC.	Clerk	Oct 25: The waste/rubbish has been reported to DC environmental health. Dec 25: Dorset Council waste enforcement team have received numerous reports on this matter. It has been passed over to their partners at the Environment Agency as it is a waste site on private land. A visit has been carried out and they are continuing to investigate.
75/25	Sept 2025	Clerk to liaise with DC Highways Department to gain their views on traffic calming measures at Parsonage Way, Wimborne St Giles.	Clerk	Oct 25: An email has been sent to DC Highways asking for them to review the traffic calming measures. Nov 25: Dorset Council Highways Officer will raise this again with Community Highways Team Leader. It is likely there is not enough fronting properties for a speed reduction. An accident data and speed survey reduction may need to be completed. Dec 25: Due to illness the DC Community Team Leader has not been able to undertake a site visit, the site visit will take place in the New Year. Jan 26: Update from DC: Requests for 20mph speed limits must come from the Parish Council via the form here: 20mph Limits and Zones - Dorset Council and then go through the appropriate assessment by our Road Safety Team.

				The record of collision data shows that in the last five years there have been no injury collisions in this section of road, and therefore according to the department of transport guidance, the speed limit appears to be set correctly, The current signing could be improved by the insertion of a slow road marking next to the concealed entrance sign (general or unspecified hazard Diagram 562) and DC highways are happy to fund this from their capital signs and lines budget, although it will likely be in the new financial year now rather than before due to the likely weather conditions.
76/25	Sept 2025	Cllr Morgan Antell to email Cllr Kevin Minns with issues raised around the We Out Here Festival to be taken to the 'Wash Up' meeting on 22 nd September.	Cllr Antell	
81/25	Oct 2025	Clerk to report the missing road sign at the bottom of Keepers Hill, B3078.	Clerk	Nov 25: A job has been raised through DC previously for a replacement. DC are waiting for sign shop to complete.

85/25	Dec 2025	Clerk to report the rubbish that has been fly tipped in Bagmans Lane, Woodlands. Clerk to contact Dorset Council to enquire if a gate and or camera/sign can be placed on Bagman's Lane to prevent further rubbish being fly tipped.	Clerk	
86/25	Dec 2025	Clerk to get advice from DC Highways on the Horton speeding issues.	Clerk	Jan 26: DC Highways Dept response; the Councils collision data records doesn't show that there is a history of injury collisions on the section of road from the 30mph to the junction opposite the Horton Inn. There is just one

				<p>collision shown by the 30mph speed limit signs as you enter Horton, where a large van driver was likely distracted and lost control of their vehicle and went into the ditch, no other vehicles were involved.</p> <p>According to the Department of Transport `s guidance to setting speed limits on rural roads, currently the 30mph speed limit starts at the village entry sign, and the guidance states that unless there are good reasons too, for example a history of collisions, then the current speed limit would be the appropriate speed limit for this section of road, especially as there are very few properties that abut this section of road.</p> <p>Chicanes would be deemed to be a highway improvement, and the Parish Council will need to request this to our LTP team, however, bear in mind that there is no history of collisions, so such a request is likely to be ranked very lowly.</p> <p>It may be that some of the road markings can be refreshed.</p> <p>DC Road Safety Manager noted that the speed survey conducted in 2016 showed good compliance, with average speeds recorded at 30.2 mph.</p> <p>The cost of a traffic survey is £295 + VAT for the first site, and £200 + VAT for each additional location monitored at the same time in the same area. The number of surveys required will depend on the size of the area being assessed.</p>
87/25	Dec 2025	Clerk to inform DC highways about the flooding at Pump House Corner.	Clerk	<p>Jan 26: The flooding issues at the pump house corner has been reported to DC Highways and COULD potentially be a location that is targeted once their capital budget becomes available from April. There is already a long list of works that need doing it is a case of where it ranks.</p> <p>Gullies have been cleared at this location on multiple occasions however asking landowners to clear ditching is an ongoing issue.</p>
88/25	Dec 2025	Cllr Chakawhata to confirm the legal status on dragon's teeth and rock on grass verges.	Cllr Chakawhata	<p>Jan 26: Verges are Dorset Council's property, and they are responsible for enforcement. The verges by Wigbeth are privately owned. Complete</p>

Road Closures

TEMPORARY CLOSURE OF C2, WIGBETH DORSET COUNCIL has issued a Notice under Section 14 [2] of the Road Traffic Regulations Act 1984 as amended. All vehicles, cyclists and horse riders will be prohibited from proceeding along C2, Wigbeth between between Windrush Farm and The Chase, a distance of approximately 430 metres.

The Notice is needed in order to comply with health and safety regulations which require the provision of safe working areas and to minimise likelihood of danger to highway users. It will come into operation between 09:30 15:30 on 22nd January 2026 and remain in force for five days, however it is anticipated that the works will be completed by 22nd January 2026. This Notice will enable Openreach safe access to carry out new pole installation and overhead cabling works in the highway. A locally signed diversion route will be put in place to enable traffic to travel around the closed sections.
